NATIONAL INSTITUTE OF HEALTH

Project – "Long term training program in Bioethics for India, continuation of NIH Project "Centrally Co – ordinated Bioethics education for India".

NATIONAL INSTITUTE OF EPIDEMIOLOGY

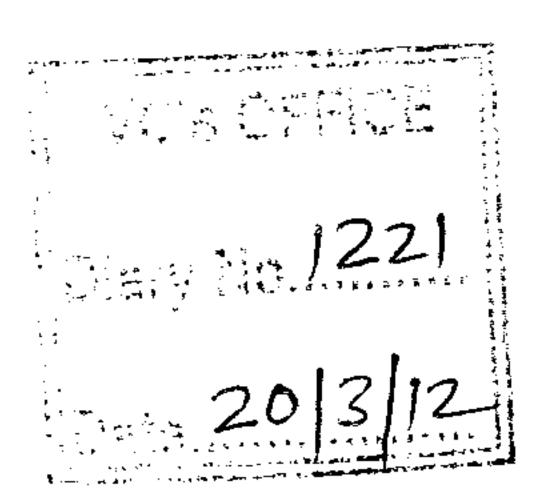

R-127, Second Main Road, TNHB, Ayapakkam, Chennai – 600 077

No.NIE/NIH/Estt/2011/

14.03.2012

Τo,

The Vice Chancellor University of Delhi, Delhi- 110007.

Madam/ Sir,

Indian Council of Medical Research under the project "Centrally Co-ordinated Bioethics Education for India" through IGNOU has launched a One year Online PG Diploma in Bioethics program as distance learning in the year 2011 and the first batch of 43 trainees will be completing this one year program in June 2012. The program includes various methodologies of distance learning like virtual class, online study material and online exams. This Diploma program covers a wide range of courses in Bioethics like philosophy, ethics in clinical & social science research related to health, research methodology, education and communication technologies, research ethics and health related laws.

In view of the importance of your institution in promoting research and ethics related activities you are requested to nominate one motivated mid career person who will take forward bioethics teaching/training not only at your institution but also be a source for further dissemination of awareness regarding ethical conduct of research as a researcher/member or member-secretary of ethics committee. You are requested to send the enclosed form at your earliest convenience to the undersigned for further action in this matter. The expenses related to this including the fees would be borne by ICMR under the above-mentioned project. You are requested to kindly certify that the chosen applicant will successfully complete the course and her/ his training will be utilised well for promotion of bioethics in your institution as well as in the region.
